AMENDMENT B

In response to the Office Action of December 1, 2005, please amend the above-identified
application as follows:

Related Co-Pending Applications

The Examiner also requests that Applicant provide serial numbers for any related copending applications. Applicant believes that application serial number 10/309,843 (attorney docket no. 0553-0342) is a possible related copending application.

1449 Form

The Examiner also crossed out the citation to "International Search Report for application no. PCT/JP2004/000206 dated February 24, 2004" on the 1449 form from the IDS of June 15, 2004 (received by the Patent Office on June 21, 2004). The undersigned spoke with the Examiner who believes that this citation was crossed-out in error. Accordingly, Applicant is submitting herewith another 1449 form with this citation for the Examiner to initial, showing his consideration of the document.

Information Disclosure Statement

Applicant is preparing a new information disclosure statement (IDS) for this application. It is respectfully requested that the Examiner enter and consider this IDS prior to the issuance of any further action for this application.

Conclusion

Accordingly, it is respectfully submitted that the present application is in a condition for allowance and should be allowed.

If any fee should be due for this amendment, please charge our deposit account 50/1039. ✓

Favorable reconsideration is earnestly solicited.

Respectfully submitted,
